1. Heard both sides. This ia an application for grant of temporary bail. The application is misconceived as the appeal filed by the applicant is already disposed off. However, it is made clear that if applicant applies for probation then his application would be considered sympathatically within a period of 4 weeks taking into account that the patient is HIV positive, though the same will be considered in accordance with rules. Further grievance is made that the

applicant is not being taken to the Sasoon hospital for check up during proper time at O.P.D. It is directed that within one week from today, applicant will be taken to Sasoon hospital during the O.P.D. timings between 9.30 A.M. to 12.00 noon and thereafter will be taken back to the hospital whenever the Doctor attending him advises that he should be brought back. Further, State would also provide medicines which are prescribed by the doctor at the cost of the State. If the applicant wants to purchase any additional medicines, he will be allowed to purchase and use the said medicines. With these directions, application stands disposed off.
